Planning Application Ref:

To Whom It May Concern:

I am writing to you with regard to the above planning application by Portsmouth Football Club. As a resident of Lee-on-the-Solent I would like to express my delight at this proposal and hope that my views are considered when a planning decision is made.

I feel that both the club and community can share in the benefits of such a development and am particularly excited about the following:

- That the area will be maintained as a green field site
- The Alver Valley Country Park's opening will be expedited as a result of the development
- The Children of the community will benefit from the state of the art facilities
- PFC will benefit from greater success, which will help the local economy
- Gosport's economy will benefit from the increased exposure
- The community will gain access to high quality football pitches

I hope that you share my excitement at this development and decide in favour to grant planning permission.

If you require further information please do not hesitate to contact me.

Yours faithfully
