Updates:

Blackbird Way

Please note that on the week beginning 25th September the leaflets stated that the entire length of Blackbird Way was located within the evacuation zone, this is now incorrect. Houses 10,11,12, 14 and 15 are located outside of the evacuation zone on this week. All other information regarding Blackbird Way remains correct.

Common Barn Lane

The leaflets stated that Common Barn Lane is located within the evacuation zone on the week beginning 23rd October, unfortunately houses 2, 4 and 6 on Common Barn Lane will also be located within the evacuation zone on the week beginning 25th September. All other information regarding Common Barn Lane remains correct.

Leamington Crescent

On the week beginning 25 September house numbers 1-13 (odds) and 2-4 (evens) on Leamington Crescent will fall within the evacuation zone.

Manor Way

Please note that on the week beginning 25th September and the week beginning 2nd October the leaflets stated that the entire length of Manor Way was located within the evacuation zone, this is now incorrect. On the week beginning 25th September only houses 41-93 (odds) and 38-56 (evens) are located within the evacuation zone and on the week beginning 2nd October only houses 57-93 (odds) and 38-56 (evens) are located within the evacuation zone. All other information regarding Manor Way remains correct.

Subbington Lane

The leaflet stated that Subbington Lane would be subject to evacuation week beginning 25th September, 2nd October, 9th October and 23rd October. In addition to the properties detailed house numbers 180, 182, 194, 196 and 198 will also be located within the evacuation on all of these days. All other information regarding Subbington Lane remains correct.
